

HUBBELL SAFETY EVALUATIONS

BECAUSE SAFETY IMPACTS BUSINESS

Safety first - there's nothing more important, especially in industrial applications. Learn how Hubbell's all-new Safety Evaluation App can help identify and solve potential safety problems in your facility, protecting the investment you've made in your team's well-being and your facility's equipment.

- 1** We'll walk through your facility together, noting potential safety concerns using Hubbell's all-new Safety App.
- 2** You will receive a detailed evaluation report with Hubbell Wiring Device-Kellems product recommendations that will improve safety at your facility.
- 3** Your Van Meter Salesperson will review the report with you and create orders based on identified product solutions.
