# GET ROLLING WITH SOUTHWIRE'S SIMPULL FLANGE

Everything you need to succeed // [www.vanmeterinc.com](http://www.vanmeterinc.com)

# VAN METER IS NOW OFFERING THE SOUTHWIRE SIMPULL FLANGE

---

The Southwire SIMpull Flange paired with Van Meter wire and cable solutions will make moving wire and you more **efficient on the jobsite**. The shaftless design allows you to install the Flange in three simple steps to wooden reels up to 34 inches and 2,000 pounds. With the Flange you'll be able to:

- Eliminate the need for jacks and arbor tube/conduit on compatible reel sizes
- Install and reinstall onto wooden reels at the jobsite
- Place your reel right next to feed conduit/point
- Allow one person to easily and safely move a reel through a 36-inch wide doorway when used with a 32-in or smaller reel
- Use it with commercial and residential SIMpull building wire products, parallels/stacks, portable cord, MV and metal-clad cable
- Easily store it until your next job
