### REDEMPTION:

Full details can be reviewed in the Rules and Restrictions Area of the on-line form. Below is a brief summary of those.

### SUBMIT

**Step 1:** Complete the online form.

**Step 2:** After submitting online form an email will be provided with instructions on how to submit qualifying documentation (image(s) of recycled or decommissioned trade in printers).

**Please allow a minimum of two weeks for processing and shipment.**

### QUALIFYING DOCUMENTATION

Qualifying documents are images or videos of the recycled or decommissioned printers.

- Pictures that do not clearly show the type of printer, pictures of boxes or cases are not acceptable.
- Blurry images or images that do not match the stated trade-in printer will void the promotion submission.
- It is the responsibility of the end user, the Panduit sales representative, or other party submitting on behalf of end user to ensure the correct information is submitted.

### RECEIVE

Free printer(s) will be shipped to the address listed on the web form. End User information must be provided. **The promotional printers are shipped to the address listed on the web form ONLY after information is validated and approved.**

### RESTRICTIONS

- Limited to end customers in the U.S. and Canada only
- While supplies last
- Panduit reserves the right to end this promotion at any time
- Cannot be combined with any other offers or promotions
- Additional questions should be submitted through the ASK a Question section of the on-line promotion form or submitted to [GA-ID-PROMO@panduit.com](mailto:GA-ID-PROMO@panduit.com)

### COMPLETE CLAIM FORM

Use either the web link or QR code below to complete Online promotion form submittal.

Follow link to complete web form: [www.panduit.com/pxe-promotions](http://www.panduit.com/pxe-promotions) OR

Scan QR Code to be taken to web form:

### NEED HELP COMPLETING ONLINE FORM?

If an end-user cannot access or has trouble completing the online form then the required information can be collected by the Panduit Sales Representative or Panduit Distributor and submitted on the end-users behalf.

**The following should be collected:** Trade in printer models and quantities, PXE printers being requested and quantities, required documentation, end-user information and shipping information.
