Ultimate G Series Mounting Brackets

ULTIMATE G SERIES MOUNTING BRACKETS

Maximize your flexibility and productivity with the Ultimate G series brackets from RACO. The gangable design saves time and effort on the jobsite, allowing for hands-free installation. Snap on to any stud or to the new open center bracket. Ideal for prefab applications.

Applications

Ideal for prefab applications, the Ultimate G series brackets work with both 4" boxes and mud rings or 4-11/16" boxes and mud rings, mount to studs or open center bracket.

Features

- Snap to stud or open center bracket for hands-free installation
- Save time and increase productivity
- For low-voltage installations the bracket can be used without electrical boxes
- Mounts to either side of the stud
- Gangable, making it easy to add boxes on either side
- Positive posting tabs ensure consistent alignment on the stud
- Center window for accurate positioning
- Works with all box depths and stud sizes with no adjustment required
- Available with integrated Hinged Adjustable Mud Rings
- 232GSCM and 252GSCM feature our STAB-iT® boxes with cable management
